RETURN TO C - DOUBLE CHORUS, end on Cadd9

She say it's cold outside and she hands me my raincoat  
 She's always worried about things like that  
 She says it's all gonna end and it might as well be my fault  
 And she only sleeps when it's raining  
 And she screams and her voice is straining

[chorus]  
 She says baby, It's 3 am I must be lonely  
 When she says baby  
 Well I can't help but be scared of it all sometimes  
 Says the rain's gonna wash away I believe it

She's got a little bit of something, God it's better than nothing  
 And in her color portrait world she believes that she's got it all  
 She swears the moon don't hang quite as high as it used to  
 And she only sleeps when it's raining  
 And she screams and her voice is straining

[chorus]  
 She believes that life is made up of all that you're used to  
 And the clock on the wall has been stuck at three for days, and days  
 She thinks that happiness is a mat that sits on her doorway  
 But outside it's stopped raining

[chorus]
